Atty Docket Number: 118776-1001

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of: Mary E. Farmer Brock et al.

Serial No.: 09/327,593

Filed: June 8, 1999

Examiner: Sam Rimmel

Art Unit: 2165

For: INTERCHANGEABLE PANEL MODULAR DISPLAY

VIA FACSIMILE - INFORMAL COMMUNICATION DO NOT ENTER IN FILE

To: Sam Rimmel, Art Unit 2165

Proposed amendment to bring SN 09/327,593 into condition for allowance:

1. Cancel kit claims 12, 18, 23-25.
2. Amend claim 19 (rejected) to incorporate second clause of claim 3 (objected to) "wherein the first and second wall sections are mounted along two adjoining edges of the base", and amend claim 3 to read: "The display system of claim 19, wherein the base and wall sections are each rectangular."

We can agree to accept the allowable claims as they stand now but would prefer not to limit claim 19 to rectangular shaped panels. Is this acceptable?

Please call attorney Phil Meyers 972-874-2703 to discuss same.
